

**List of Shortlisted Candidates for the post of PA-II, 5/2020  
and interview will be held online on Saturday 28.11.20.**

| S/no | Name                 | Basic qualification (B.E)/Equivalent                                           | Post Graduation                             | Experience (Years)   | Age on 21.10.2020          |
|------|----------------------|--------------------------------------------------------------------------------|---------------------------------------------|----------------------|----------------------------|
| 1.   | Bushra Praveen       | Electronics and Communication<br>(70.95 %)                                     | VLSI Design<br>(76.87 %)                    | 2 years and 3 months | 30 years 1 months          |
| 2.   | Taha Zafar Ali       | Electrical and Electronics<br>(67.10 %)                                        | Nanotechnology<br>(8.29 CGPA)               | ----                 | 24 years 10 months 4 days  |
| 3.   | Poronica             | Electronics and Communication<br>(73 %)                                        | VLSI Design<br>(74 %)                       | 2 years              | 27 years 9 months 12 days  |
| 4.   | Devendra Singh Bisht | Mechanical and Automation<br>(69.02 %)                                         | PhD scholar (AcSIR) in Engineering Sciences | 5 Months 5 days      | 34 years 3 months 10 days  |
| 5.   | Naresh Kumar         | Electronics and Communication<br>(6.33 CGPA)                                   | Optical Engineering<br>(7.15 CGPA)          | 7 years 7 month      | 33 years 3 months 28 days  |
| 6.   | Shipra Singh         | Electronics and Communication<br>(77.94 %)                                     | Automation and Robotics<br>(73.9 %)         | 4 years              | 26 years 10 months 14 days |
| 7.   | Nidhi Gopal          | Integrated Course of VLSI, Electronics and Communication engineering<br>(76 %) |                                             | 7 months             | 28 years 9 months 3 days   |
| 8.   | Nand Kumar           | Electronics and Communication<br>(84.2 %)                                      | Electronics Telecommunication<br>(81.4 %)   | 4 years              | 29 years 2 months 27 days  |
| 9.   | Farhana Firdous      | Electronics and Communication<br>(74.67 %)                                     | System and Signal Processing<br>(9.07 CGPA) | 2 years              | 26 years 2 months 5 days   |

|     |                     |                                          |     |                                        |                 |                               |
|-----|---------------------|------------------------------------------|-----|----------------------------------------|-----------------|-------------------------------|
| 10. | Jagriti Bhateja     | Electronics Communication<br>(80.56 %)   | and | Electronics Engineering<br>(8.89 CGPA) | ----            | 25 years 8 months             |
| 11. | Swati Bansal        | Electronics Communication<br>(60.88 %)   | and | Optical Engineering<br>(83.10 %)       | 5 years 4 month | 31 years 10 months<br>21 days |
| 12. | Gaurav Suresh Awari | Electronics Communication<br>(65.52 %)   | and | Communication Engineering<br>(58.80 %) | 4 years 6 month | 30 years 4 months<br>12 days  |
| 13. | Syed Aftab Hussain  | Electronics Instrumentation<br>(67.35 %) | and | ----                                   | 5 Years         | 28 years 5 months<br>29 days  |
