

**CSIR – Central Scientific Instruments Organisation**

Date: 17<sup>th</sup> October 2023

No. – CSIO/2023/465/19

Subject: Requirement of Single board computer development kit

<b>Sl. No.</b>	<b>Details of Items</b>	<b>Qty</b>
1	<b>Single board computer development kit with capability of 40 TOPS for running AI based algorithms</b> <ul style="list-style-type: none"><li>• Processor with 8GB RAM and carrier module including heatsink and power adapter</li><li>• Supports: atleast 2 MIPI camera</li><li>• External storage support: SD card</li><li>• Input output ports: UART, SPI, I2C, GPIO</li></ul>	01

1. Interested may please send their quotation through email to: [shashipoddar@csio.res.in](mailto:shashipoddar@csio.res.in)
2. The price should be including all transportation costs and F.O.R. CSIO, Chandigarh.
3. The detailed datasheet or specification sheet should be provided along with the quote for technical comparison.
4. Payment as per CSIO norms.
5. Quotation Time: Until October 23, 2023, 9 AM.
6. The details of use will not be shared.
7. Purchase of items/ PO is purely the prerogative of CSIO.
